The Training Associates Receives Project Management Professional Credential

Brad Mayo Becomes PMP Certified for Advanced Project Management Consulting

Westborough, MA – May 26, 2009 - The Training Associates (TTA), the largest trainer consultant and solutions company, announced that Brad Mayo has earned the Project Management Institute's most recognized and respected global credential -- the Project Management Professional (PMP).

As the Project Implementation Manager at TTA, Brad utilizes his extensive project management experience to assist clients in managing their large scale training requirements. The PMP credential is high recognition that Brad has achieved certification in designing advanced project management programs for learning and implementing those program guidelines to increase clients' training efficiencies.

To obtain a PMP credential, an individual must satisfy education (35 hours) and experience (no less than 4500 hours) requirements, agree to adhere to a professional code of conduct and pass the PMP examination. The PMP Certification Program supports the global community of project management practitioners and is designed to objectively assess and measure professional knowledge.

About PMI

The Project Management Institute, Inc. (PMI) is the leading membership association for the project management profession and the largest association dedicated to project management in the world.

About The Training Associates

TTA has been trusted since 1994 by all types and sizes of companies worldwide for expert IT and professional business skills instructors. By relying on TTA, clients receive 100% guaranteed, high-quality training delivery, at the lowest prices, on-demand, where and when they wish. They do so with less risk, cost, and overhead than using staff or contract instructors or training providers and thereby significantly increase their training events, sales and profits.

TTA has 2,000 trainer consultants on agreement, taught over 500,000 class-days, and, in addition to the many proprietary courses it teaches, offers over 11,000 standard and custom IT & professional business skills courses. When required, it partners with many other training development, technology & classroom providers to ensure clients receive the best learning experience at the greatest possible value. Leading technology partners include Microsoft, IBM, HP, Novell, Oracle, Cisco, SUN, Adobe, & many more. www.thetrainingassociates.com
