The Training Associates Earn Project Management Certification

TTA Senior Project Managers Receive CompTIA Project+ Certification

Westborough, MA – February 11, 2009 - The Training Associates (TTA), the leading trainer solutions specialist, today announced that Heidi Hiester and Adam Hearnlaye have recently earned their Project+ certification through The Computer Technology Industry Association (CompTIA).

As part of the company-wide initiative to provide educational training for the growth of its employees, TTA assesses clients' needs and aligns them with internal skill sets. As Senior Project Managers for TTA, Heidi and Adam are responsible for the cultivation and project management of clients' diverse trainer solution requirements. Project+ certification is a globally recognized project management certification that provides advanced learning management techniques to balance trainer deployment with logistical requirements and financial structure.

Herb Blanchard, Director of Enterprise Solutions at TTA, said, "Both Heidi and Adam continue to deliver proven and profitable trainer solutions for our clients. Receiving certification as a "Project+ / Project Manager" is a testament to the team's superior performance in critical areas of customer project management. I'm very proud of Heidi and Adam for their continued dedication to customer satisfaction."

About The Training Associates

As the largest trainer provider and only company specializing in trainer staffing and consulting, TTA has been trusted since 1994 by all types and sizes of companies worldwide for expert IT and professional business skills instructors. By relying on TTA, clients receive 100% guaranteed, high-quality training delivery, at the lowest prices, on-demand, where and when they wish. They do so with less risk, cost, and overhead than using staff or contract instructors or training providers and thereby significantly increase their training events, sales and profits.

TTA has 2,000 trainer consultants on agreement, taught over 500,000 class-days, and, in addition to the many proprietary courses it teaches, offers over 11,000 standard and custom IT & professional business skills courses. When required, it partners with many other training development, technology & classroom providers to ensure clients receive the best learning experience at the greatest possible value. Leading technology partners include Microsoft, IBM, HP, Novell, Oracle, Cisco, SUN, Adobe, & many more. www.thetrainingassociates.com
