The Training Associates Hires New Recruiting Manager

Trainer Consultant & Solutions Provider Hires Fred Ernsting as Recruiting Manager

Westborough, MA – January 11, 2010 - The Training Associates (TTA), the largest trainer consultant and solutions company, announced the hiring of Fred Ernsting as their Recruiting Manager to provide best-in-class trainer talent for their clients.

Fred brings to TTA more than twenty years of successful staffing, sales, customer service and operations management experience. For the past several years, Fred has worked in senior recruiting positions for Randstad U.S., most recently as Senior Agent meeting the temporary staffing needs of several client companies in the Greater Worcester area. Fred has also been an Executive Recruiter and additionally, helped improve operations at local companies in key management positions ranging from Production Supervisor to Vice President of Operations. Fred resides in Blackstone, MA.

Maria Melfa, President at The Training Associates said, "Our key component to successfully meeting the needs of our clients is the expertise of our trainers. With Fred's experience in professional recruitment, we are positioning our company to utilize his vast knowledge to continually attract and retain top global trainer talent. We are thrilled to have Fred on-board to lead our recruitment division."

About The Training Associates

As the largest trainer provider and only company specializing in trainer staffing and consulting, TTA has been trusted since 1994 by all types and sizes of companies worldwide for expert IT and professional business skills instructors. By relying on TTA, clients receive 100% guaranteed, high quality training delivery, at the lowest prices, on-demand, where and when they wish. They do so with less risk, cost, and overhead than using staff or contract instructors or training providers and thereby significantly increase their training events, sales and profits.

TTA has over 2,000 trainer consultants on agreement, taught over 500,000 class-days, and, in addition to the many proprietary courses it teaches, offers over 15,000 standard and custom IT & professional business skills courses. When required, it partners with many other training development, technology & classroom providers to ensure clients receive the best learning experience at the greatest possible value. Leading technology partners include Microsoft, IBM, HP, Novell, Oracle, Cisco, SUN, Adobe, & many more. Learn more at www.thetrainingassociates.com
