## **The Training Associates Hires Manager of Trainer Services**

*Trainer Consultant & Solutions Provider Hires Warren Clarke*

**Westborough, MA – May 18, 2010** - The Training Associates (TTA), the largest trainer consultant and solutions company, announced the hiring of Warren Clarke as their Manager of Trainer Services to support government municipalities and their channel affiliates.

Warren brings a wealth of technical sales and training support experience to TTA. For 15 years, he provided senior tech support while at Automated Assemblies, Inc. in Clinton, MA. Warren has a Bachelors Degree in Mechanical Engineering from Central New England College of Technology, and a Masters Degree in Management from Lesley University. He is a resident of Clinton, MA.

Herb Blanchard, Vice President of Sales at The Training Associates said, "We are thrilled to have Warren join TTA as our Manager of Trainer Services with a focus on meeting the trainer delivery needs of our government clientele. His deep sales experience and proven ability to customize solutions is a valuable combination of attributes to have at TTA for servicing the needs of our clients' flexibility."

### **About The Training Associates**

As the largest trainer provider and only company specializing in trainer staffing and consulting, TTA has been trusted since 1994 by all types and sizes of companies worldwide for expert IT and professional business skills instructors.

TTA has over 2,000 trainer consultants on agreement, taught over 500,000 class-days, and, in addition to the many proprietary courses it teaches, offers over 15,000 standard and custom IT & professional business skills courses. As required, it partners with many other training development, technology & classroom providers to ensure clients receive the best learning experience at the greatest possible value. Leading technology partners include Microsoft, IBM, HP, Novell, Oracle, Cisco, SUN, Adobe, & many more. Learn more at [www.thetrainingassociates.com](http://www.thetrainingassociates.com)
