FOR IMMEDIATE RELEASE

## **The Training Associates Named CompTIA Platinum Partner for Trainer Solutions**

*Trainer Consultant and Solutions Company Recognized For Expert Trainer Delivery*

**Westborough, MA – December 9, 2009** - The Training Associates (TTA), the largest provider of trainer consultants and solutions has been recognized by CompTIA, the voice of the world's information technology (IT) industry, as a Platinum Partner for Trainer Solutions.

"The CompTIA Authorized Partner Program is the most significant step we've taken in many years with our certification program," said Terry Erdle, senior vice president, skills certification, CompTIA. "Our intent is to work more closely with our partners around the world to help IT professionals advance their knowledge, skills and career credentials in order to raise on-the-job performance levels. CompTIA is pleased to be working collaboratively with The Training Associates to increase customer satisfaction."

"The Training Associates has worked closely with CompTIA for many years," said Andrea Turner, Vice President of Operations for TTA. "There are great synergies that exist between CompTIA's role in the industry as a premier provider of learning products and vendor-neutral certification programs, and TTA's Trainer solutions. We are pleased to be able to further solidify and expand upon that relationship by joining forces with them in our mutual quest to raise performance levels of IT professionals. We believe our services will play an integral role in the advancement of this initiative to build on the knowledge, skills and career credentials of IT professionals."

### **About CompTIA**

CompTIA is the voice of the world's information technology (IT) industry. Its members are the companies at the forefront of innovation; and the professionals responsible for maximizing the benefits organizations receive from their investments in technology. CompTIA is dedicated to advancing industry growth through its educational programs, market research, networking events, professional certifications, and public policy advocacy. For more information, please visit [www.comptia.org](http://www.comptia.org).

### **About The Training Associates**

TTA has over 2,000 trainer consultants on agreement, taught over 500,000 class-days, and, in addition to the many proprietary courses it teaches, offers over 15,000 standard and custom IT and professional business skills courses. When required, it partners with other training development, technology, and classroom providers to ensure clients receive the best learning experience at the greatest possible value.
